Dear parent/ carer,

12th September 2023

INSTRUMENT LESSONS – CHILDREN IN YEARS 2-6

We are pleased to offer musical instrument lessons within school, and plan to offer keyboard, guitar and violin (depending on interest). All lessons will take place during the school day and are open to children in the following years:-

Keyboard – Years 2 to 6

Guitar and Violin – Years 3 to 6

Small-group lessons will take place in school time at a cost of approximately £4 per session (depending on the number of children taking part). Fees will be paid termly in advance. Please note that once your child has been offered a place, you will be committed to paying the fee for that term - whether they attend or not, as school cannot cover any shortfalls.

The school has a bank of keyboards which can be used for lessons and we hope to be able to provide violins for children to borrow. We have a couple of guitars in school which can be used for the first couple of weeks but children do need to purchase their own guitars to practice at home. The recommended size is usually $\frac{3}{4}$ size.

If your child is interested in starting (or continuing) instrumental lessons, please reply via dojo, stating which instrument your child is interested in and whether they are a new starter or continuing. Replies should be in by Friday 15th September at the latest as hopefully lessons will be starting w/b 18th September. **Please note that if your child is looking to continue, we still need a reply on Dojo to ensure that their place is retained.**

Yours sincerely

Mrs Sheena Baker,
Systems Manager
