### **Updates**

The aim of the meeting was to look at current behaviour in school and fundraising for two buddy benches in school.

We discussed how to raise funds to install two benches in school. Ideas included:

- Making and selling “kindness rocks”.
- A fundraising walk from school to Friendship Island in Chile (virtual) via the Daily Mile.
- Stalls at the Easter, Christmas Fayre.
- Contacting firms to sponsor the buddy bench.
- Making friendship pillows.
- Holding a “Kindness Day”.

At the meeting, it was decided that the team would buddy up in pairs and write a letter asking for potential sponsors for our buddy bench (hardware, DIY shops etc). by Friday, 8<sup>th</sup> April 2022. Mr Howe will supply the addresses.

In terms of behaviour, Oliver (Y5) discussed that there were some disagreements and issues among the girls in his class. While Josh (Y4) suggested a cleaning rota for dinnertime tables to avoid arguments between children.

All children discussed how they could feedback on resolving friendship issues at the next meeting. They were given wristbands to give to a child who was “kinder than necessary” in their own class.

Orlaith and Daisy have completed and collected the Odd Socks template to go on display in the main hall.
